

Patina · At the Airport

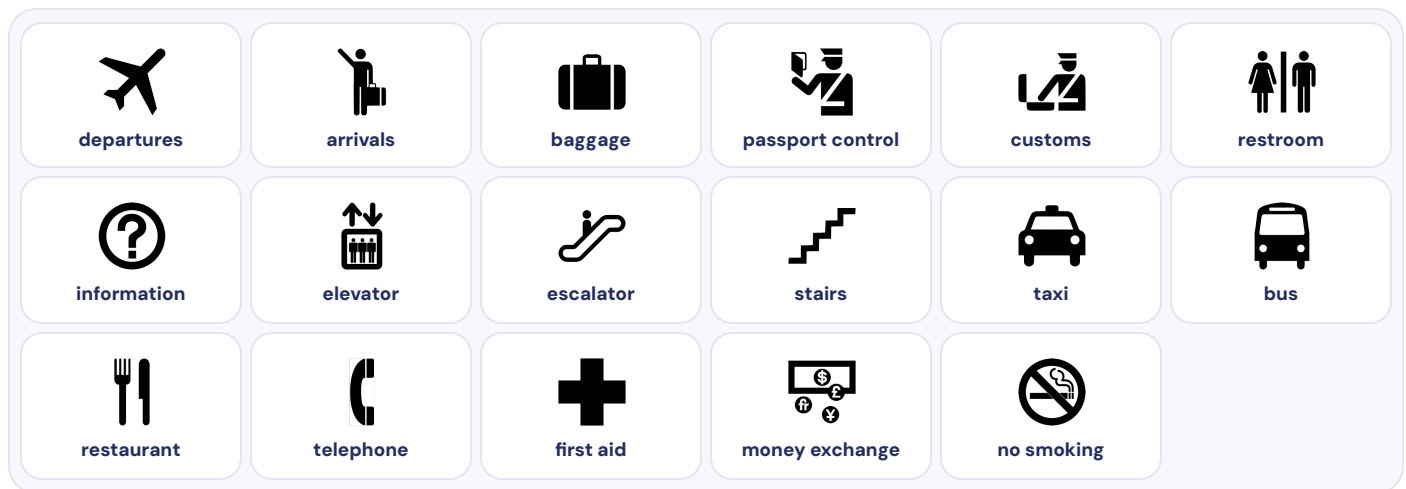

Read the Sign

The signs above your head at the airport. These are the real international symbols, so you will see exactly these — and twelve of them you can read with no English at all.

★ the seventeen signs · ★★ read the sign

★ Seventeen airport signs

Seventeen signs you will see at an airport. Tap any sign to hear the words.

★★ Read the sign

These twelve you can read without the words. Look at the sign and type what it means.

1  _____2  _____3  _____4  _____5  _____6  _____7  _____8  _____9  _____10  _____11  _____12  _____

One important sign has no picture. In the United States the way out is marked with the word **EXIT** in bright letters, usually red or green, above the door. Look for the word, not a symbol.
