Build It: Then, Now, Next (verbs)

★ build a sentence · ★★ change the time word and fix the red verb · ★★★ one person, three sentences: then, now, next

Build the sentence left to right. Start with the time. Then choose the red verb.

when who verb what .

Two choices are yours. The **yellow** time word decides the form: **then** takes **-ed**; **now** takes the plain verb, or **-s** with **she** and a name; **next** takes **will** + the plain verb.
