Selin: OK, step one. Benedikt, hand me the Allen key, please.

Benedikt: Which one? There are two Allen keys in the toolbox.

Selin: The small one. Thanks. Now hold the side, please.

Benedikt: I'm holding it. Use the screwdriver for the bolts. It's faster.

Selin: No. The instructions say: tighten the bolts with the Allen key, not the screwdriver.

Benedikt: OK, OK. What's next? Do I need the drill?

Selin: No. Hold the back, please. I can hit the nails with the hammer.

Benedikt: Careful! Those are my fingers, not the nails!

Selin: Sorry! Now the shelves. Check them with the level, please.

Benedikt: This shelf isn't straight. Hand me the screwdriver.

Selin: Here's the screwdriver. Don't tighten the screws too much!

Benedikt: There. Now it's straight. Our bookshelf is ready! Where are the books?
