

Next To, Across From, Between

where a place is · there is, there are

In Class 4 you said where a *thing* is: in, on, under. Now say where a *place* is, on a real street. Every sentence on this sheet is true of the same neighborhood map, so what you learn here also works on the map sheet, the game and the reading. Every example is in your language too.

★ four ways to say where · ★★ there is, there are · ★★★ between two places · ★★★★★ read the map, then fix the sentence

★ Where is it?

Look at the pictures. Say each sentence out loud. Your language is under every line.

across from, or in front of?**The pharmacy is **ACROSS FROM** the bank.** 

There is a street between them.

The car is **IN FRONT OF my building.** 

No street. It is just at the front.

A street between them: across from. No street, just the front: in front of.

★★ There is, there are

One bank, or two banks? The little word changes. Tap each sentence and listen.

There is + a / one · There are + two / manyThere **is** a bank. There **are** two banks. There **is** a park and **two** schools. 

The little word follows the FIRST thing after it. One park, so there is.

one bank

--- **There is** 

a park

--- **There is** 

two banks

· **There are** 

many people

· **There are** 

Count first. One thing takes there is. Two or more takes there are.

★★ Between ... and ...

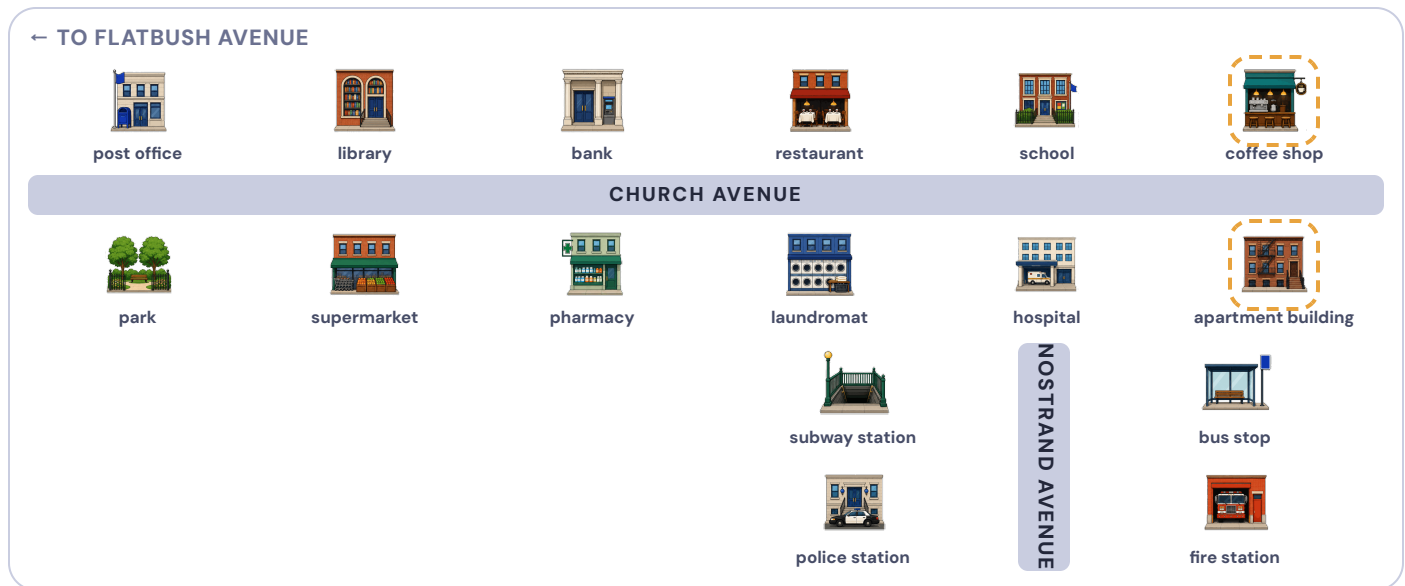

Between always needs two places. Write one place in each blank.

1 The library is between _____ and _____ .

2 The supermarket is between _____ and _____ .

★★★ Look at the map

This is one street in the neighborhood. The name is under every picture.

Write the words

Look at the map. Write the missing words on the line. Then type your answer in the chat.

- 1 The pharmacy is _____ the bank.
- 2 The bank is _____ the library.
- 3 The library is _____ the post office and the bank.
- 4 The coffee shop is _____ Church Avenue and Nostrand Avenue.
- 5 The fire station is _____ the police station.
- 6 The supermarket is _____ the park and the pharmacy.

★★★ Fix the sentence

Each sentence has one mistake. Write the whole sentence correctly.

- 1 ✗ The supermarket is between the park.

Between always needs two places and the word and.

- 2 ✗ There is two banks.

Two is more than one, so there are.

- 3 ✗ The bank is in front of the pharmacy.

A street is between them, so across from.
