★ Find the facts

Find the facts in the booklet. Write the missing word.

1 The hardware bag has _____ screws.

2 Step 3: Tighten the bolts with the _____.

3 Part D is the _____.

4 Keep small parts away from _____.

★★ Find the parts

Read the step. Find the part and write it.

1 Step 2: "Attach the base E to the side panels with four bolts." What is the verb?

2 Step 3: "Tighten the bolts with the Allen key." What is the object?

3 Step 8: "Hit the small nails into the back panel with the hammer." What is the tool?

4 Step 5: "Tighten the screws with the screwdriver." The subject is hidden. Who is it?

5 Step 6: "Put the three shelves B on the pins." What is the object?

★★★ Write it with the subject

These steps have no subject. Write each step with its subject.

1 Tighten the bolts with the Allen key.

2 Attach the base E to the side panels with four bolts.

3 Hit the small nails into the back panel with the hammer.

★★★ Write the missing step

Put the three parts in order. Write step 9.

Esteban and Farida finish step 8. Farida looks in the hardware bag: the wall strap and the two wall screws are still there! The booklet has no step for them. Step 9 is missing.

the wall screws
