The Waiting Room

Six people are waiting to see the doctor, and you can SEE what is wrong with each one. Learn the words from the pictures, find the right person, then choose **has** or **have**.

★ learn the words · ★★ find the person · ★★★ has or have

★ The waiting room

Everyone in the waiting room feels sick. Tap a person to hear what is wrong.

 Luis a headache	 Ana a cough	 Omar a backache	 Marie an earache	 Rosa a sore throat	 Carlos a broken leg
---	---	---	--	--	---

★★ Who has it?

Now the words are gone. Read the question and tap the right person.

1. Who has a headache? _____
2. Who has a cough? _____
3. Who has a backache? _____
4. Who has an earache? _____
5. Who has a sore throat? _____
6. Who has a broken leg? _____

★★★ has or have?

Choose has or have for each sentence.

One person uses has. Two or more people, and I and you, use have. But in a question with do or does, it goes back to have.

1 Luis _____ a headache. has / have

2 Carlos _____ a broken leg. has / have

3 I _____ a sore throat. has / have

4 My children _____ a cough. has / have

5 Does Rosa _____ a sore throat? has / have
